Experience

UX/UI Designer | OnlinePajak @ VISEO

September 2022 - December 2022 / Singapore

- Received 95% positive feedbacks from tax clients.
- Worked cross functionally with product owners and designers to prototype responsive and interactive screens.
- Spearheaded design of features such as sending of documents & adding reference documents with 87% approvals from research participants.
- Worked using an agile methodology and led daily standups to aid team coordination.

UI/UX Design Intern | Standard Chartered @ VISEO

March 2022 - August 2022 / Singapore

- Created responsive and user-centred designs as solutions for the users in different testing stages.
- Built lasting relationships with clients and inspired client confidence in the agency.
- Created components in the design library to build quality consistent prototypes.
- Worked within tight deadline to meet the shipping of site on July 2021.
